Priority Booking System for Counselling

New client appointments usually offered within two weeks.

Happy Me is a small team of registered Medicare Providers that routinely provide treatment for depression, anxiety, grief and loss, sensory issues, social and behavioural issues. We specialise in working with children and adolescents and routinely work with adults and families. Our practitioners have been providing services locally for over a decade and have more than 35 years combined clinical experience.

REFERRALS

Please prepare a referral from **ONE** of the programs listed below based on the **client's ability to pay**. If the client cannot afford the upfront fees of \$130 please refer them under the ATAPS program. For links and the most recent information please see our Medical Practitioners page on our website – www.happyme.com.au

*** ATAPS for LOW INCOME EARNERS/HEALTH CARE CARD HOLDERS**

- Call 1300 292 971. Vouchers are now issued via telephone. **Do not fax a request form.**
- Fax the voucher number and MHTP to us on (03) 8790-2089
- Get the client to contact us for an appointment

OR REFERRAL UNDER MEDICARE....

*** BETTER ACCESS TO MENTAL HEALTH CARE**

- Referral letter **faxed** to Happy Me on (03) 8790-2089 (GP having billed a MHTP for rebates)
- **Upfront cost \$130** per session with Medicare rebates approximately \$75 per session

FEEDBACK TO MEDICAL PRACTITIONERS

- Acknowledgement letter sent once we have the referral or the first appointment attended
- If you haven't heard from us then we usually haven't received any paperwork yet!
- Reports are sent to the GP after the 6th appointment and clients are told to attend a review appointment
- Interim contact will also be made if there are any issues requiring follow up

QUESTIONS?

Please feel free to contact us at any time on 0433-225-770 or happyme@me.com

When booking appointments with the GP:

- Check with the receptionist at the clinic to see if a double appointment is needed
- For referrals for children/adolescents please be sure to take your child with you so the GP can completed the necessary assessments
